APPLICABILITY:

This rate is applicable only to the entire use of electricity at a single location where service requires the use of primary facilities. Such service shall not exceed 349 kW. All electricity delivered hereunder shall be measured through one meter. All electricity supplied shall be for the exclusive use of the customer and shall not be resold. With the approval of the Company the customer may furnish electricity to persons or concerns who occupy space in the building to which service is supplied hereunder, but on the express condition that the customer shall not re-sell, make a specific charge for, or remeter (or submeter) or measure or control the use of, any of the electricity so furnished.

This rate is not available to new applicants after September 17, 1999.

Notwithstanding the foregoing, Schedule 23 may be used in conjunction herewith and separately billed.
